## **PORNOGRAPHY: SOME FACTS**

- 93% of boys and 62% of girls are exposed to Internet pornography before the age of 18
- The average age of first exposure to Internet pornography is 11
- 70% of boys have spent more than 30 consecutive minutes looking at online pornography on at least one occasion. 35% of boys have done this on more than ten occasions.
- 23% of girls have spent more than 30 consecutive minutes looking at online pornography on at least one occasion. 14% have done this on more than one occasion.
- 34% of Internet users have received unwanted exposure to sexual material
- Only 3% of boys and 17% of girls have never seen Internet pornography
- One poll indicates that 50% of evangelical Christian men and 20% of evangelical Christian women are addicted to pornography

# **CHILDREN AND PORNOGRAPHY**

## **WHAT IS PORNOGRAPHY?**

The word "Pornography" is rooted in the Greek word porneia, which means to practice prostitution, sexual immorality, or fornication. In the New Testament, the Apostle Paul frequently used the word in reference to any kind of sinful and illegitimate sexual activity.

Here are two very helpful definitions of "Pornography" written from a biblical perspective:

*"Pornography is anything we use for sexual titillation, gratification or escape – whether it was intended for that purpose or not."*

- TIM CHESTER, *CLOSING THE WINDOW: STEPS TO LIVING PORN FREE* (INTERVARSITY PRESS, 2010)

*"Pornography is anything that the heart uses to find sexual expression outside of God's intended design for relational intimacy. It is anything that tempts or corrupts the human heart into desiring sexual pleasure in sinful ways."*

- "LIVING IN A 'PORN IS THE NORM' CULTURE" (HARVESTUSA.ORG)

## **WHAT ARE THE EFFECTS OF PORNOGRAPHY ON CHILDREN AND TEENS?**

- An exaggerated perception of sexual activity in society. . .the belief that "everyone's doing it" and "this must be normal"
- The abandonment of the hope of remaining sexually monogamous
- Belief that sexual promiscuity is natural and normal
- Belief that sexual abstinence and sexual inactivity are abnormal and unhealthy
- Belief that marriage is sexually confining
- A lack of attraction to family and child-rearing
- Negative and/or traumatic emotional responses
- Earlier onset of first sexual intercourse
- The commodification of sex and the sexual objectification of persons
- Increased acceptance of sexual perversions (bestiality, group sex, bondage, etc.) as normal

## **WHEN YOU DISCOVER YOUR CHILD HAS ACCESSED PORNOGRAPHY...**

1. Control your anger.
2. Go after their heart, not their behavior.
3. Keep a discussion going about biblical sexuality.
4. Examine your own heart. Are you living God's design for your own sexuality?
5. Block the doors. Take steps to restrict access and choices, while engaging them in ongoing accountability.
6. Don't let up or give up. Shepherd them forward in their spiritual lives with the goal of heart change.
7. Evaluate whether or not outside counseling is necessary or beneficial.
